## SUNDAY SCHOOL AT 9:00 AM

## WORSHIP AT 10:15 AM

You can **listen to the worship service** over the phone patch at 10:15 AM. Just dial **717-628-0125**. You will hear a message welcoming you to Millcreek. At that point you are connected to our church sound system, so just stay on the line.

## PARADISE CORNER

“Old Lutheran” is a small privately held company in Moorhead, Minnesota that creates, produces, communicates, and partners with Lutherans worldwide to share a message grounded in the love and grace of Jesus. The title of one of their product lines is “Walk Dusty.” It is designed for Lent, which begins on February 14 this year. The idea is a good one. This is especially true when we realize (as one worship planning resource I use puts it) that “Lent is a journey. It begins with ashes on our forehead to remind us that we are going to die. It ends with seeing Jesus on a dusty path that will lead to his crucifixion.” Lent is indeed a time to “Walk Dusty.”

Lent, which is the 40-days (not including Sundays) that helps us prepare for Easter, is indeed a dusty journey. Part of our purpose during Lent can be clearing away some of the dust, which we actually do quite regularly. We clear away dust in the places we live using tools like microfiber cloths and vacuum cleaners. We clear away dust in the actual lives we live using other tools, some of which come into especially clear focus during the days of Lent.

The classic tools for Lent are self-examination and repentance, prayer, fasting, sacrificial giving, and works of love. We hear and talk about these tools especially during Lent. It is easy to let the dust keep gathering and lose sight of God’s promise of resurrection that waits at Easter, which follows Lent. We use self-examination and repentance, prayer, fasting, sacrificial giving, and works of love to help us plan our own keeping of Lent even as we look ahead to Easter.

However, Lent also looks back on all of the things that brought us to this time and place. God has washed us in Holy Baptism. God has taught us in Holy Scripture. God has fed us in the bread and wine of Holy Communion. Looking back, these gifts have cleared some of the dust and given us strength. Looking ahead, these gifts will continue to clear the dust and give us

strength. Both looking back and looking ahead require us to get into the dust that (according to the folks at “Old Lutheran”) defines the journey of Lent.

It may be helpful to realize that our feet bring in the majority of our home’s dust in the form of dirt and soot that hitches a ride on your shoes. We walk dusty through Lent by embracing all that Lent offers us—self-examination and repentance, prayer and fasting, sacrificial giving, and works of love. We travel the dusty days of Lent while looking ahead to the bright days of Easter when Christ’s resurrection shatters the gloom of death and breathes eternal life into all the dustiest places and invites us to walk in the bright light of salvation. Or, as the folks at “Old Lutheran” might put it—Lent says: “Walk Dusty,” Easter says: “Not Forever.”

Live as children of light!  
Pastor Scott Paradise

## SPANG CREST

Friends of Spang Crest **annual membership drive is now going on until the end of March**. Last year's total of \$456 given by 23 members of the congregation was an all-time high for our church. Millcreek Lutheran was #4 in giving out of all the Lutheran congregations in Lebanon County. The money collected from this membership drive by Friends of Spang Crest helps provide for some of the little extras such as summer free concerts, taking residents to Hershey Lights and even some benevolent funds to help us support Spang Crest. Please consider donating. This year we lost a number of our faithful contributors so we certainly welcome any new folks that would be willing to support this fundraiser. Friends of Spang Organization only has three fundraisers a year to help Spang Crest - this membership drive and two chicken barbeques. Thanks again in advance for helping. Please talk with Margie Kriss to contribute. Any donation is greatly appreciated.
